ACCESS CONTROL PANELS

Tema-Voyager Compact

Innovative and Stylish Time & Attendance and Access Control Terminal

Overview

Feedback

The Tema-Voyager Compact from Honeywell delivers efficiency and style to businesses wanting an easy-to-manage time and attendance and access control solution.

Features & Benefits:

- Autonomous device – on board intelligence and memory allows the terminal to autonomously grant/deny the access, doesn't need to be connected to any controller
- Multi technology reading ability – compatible with Mobile, Proximity and Smart Card credentials
- Numeric, back-lit keypad and navigator
- Color graphic display: ¼ VGA, 3.5"
- Compact design: 163mm x 103mm x 40mm
- Simplified connection via POE
- Suitable for external environments (IP65)
- The interface can be localized in any Western or Oriental language – supports up to 4 languages per device

Tamper resistant features:

- Anti-opening between reader and mount
- Anti-removal

Certifications:

- CE
- FCC Part 15 Subpart B
